Summary

The founding head of the Architecture Department, Benha Faculty of Engineering, with 5 yrs of experience, in addition to two years as the head of postgraduate studies at MSA University. Recently graduated from the Presidential School for Qualifying Executives for Leadership.

Skill Highlights

- Leadership experience.
- Communication skills.
- Organizational know-how.
- Time Management.
- Collaboration talent.
- Problem-solving abilities.
- Human Resources.

Experience

- Head of Architecture Department, Benha Faculty of Engineering, Benha University (2022-2023) , (2015 -2018)
- Professor of Architecture & Urban Design MSA University (2020 – 2021)
- Acting Head of Architecture Department, Benha Faculty of Engineering, Benha University (2015 – 2018)
- Associate professor, Benha Faculty of Engineering (2015-2020)
- Reviewer within the performance appraisal committees of higher institutes of engineering and technology.
- Certified reviewer for the Promotion Committee for professor and assistant professor positions, Engineering Studies Sector, Architecture and Urban Planning Committee.
- Reviewer for several scientific journals.

Education

- BSc Architectural Engineering, Cairo University (2000)
- MSc Architectural Engineering, Cairo University (2003)
- Ph.D. Architectural Engineering, Cairo University (2007)

Certifications

- Alumni of the Presidential Program for Qualifying Executives for Leadership (2021)
- Building resilient teams (2020)
- On Time Business Simulation (2020)
- Assessment Strategies (2020)

Summary

- Acting Head of the Architectural Engineering Department, Faculty of Engineering in Benha, Benha University from 2019 - 2022.
- Assoc. Prof. in Department of Architecture, Faculty of Engineering in Benha, Benha University from 19/12/2018 till now.

Skill Highlights

- Leadership experience.
- Communication skills.
- Problem-solving abilities.

Experience

- Acting Head of the Architectural Engineering Department, Faculty of Engineering in Benha, Benha University from 2019 - 2022.
- Assoc. Prof. in Department of Architecture, Faculty of Engineering in Benha, Benha University from 19/12/2018 till now.
- Lecturer in Department of Architecture Engineering - Faculty of Engineering, MTI University, Cairo – Egypt year 2012/2017.
- Lecturer in the Faculty of Engineering on part time basis in the second semester of the Academic year 2013/2014 in the British University in Egypt.
- Lecturer in the High Institute of Engineering & Technology (TEI) in year 2011/2012.

Education

- BSc. Architectural Engineering, Cairo University (1991)
- MSc Architectural Engineering, Cairo University (2004)
- Ph.D. Architectural Engineering, Cairo University (2010)

Certifications

- Consultant from Engineering Syndicate
- Consultant (B) in General Organization for Physical Planning
- Consultant in New Urban Communities Authority

Summary

*** Assistant Professor at Benha Faculty of Engineering, Benha University**

*** Member of the Ministry of Higher Education within the five-year committee formed to examine buildings of distinguished architectural style - State Council, Supreme Administrative Court**

Skill Highlights

- AutoCAD 2D,3D .
- 3D STUDIO MAX.
- ADOB PHOTOSHOP
- Sketch up
- Microsoft Office.
- Internet, Searching, Exploring, Mailing working on related programs.
- Other programs dedicated for architectural use.

Experience

Assistant Lecturer, then Doctor, at:

- El Shorouk academy
- Modern University MTI
- Taiba Academy in Maadi
- Modern Academy in Maadi
- 15 May Academy
- Valley Academy of Science Assembly of Orabi In Obour City
- Egyptian Russian University in Badr City
- Arab Academy for Science, Technology & Maritime Transport
- Heliopolis University for Sustainable Development
- Future University in Egypt
- New Cairo Academy
- Faculty of Engineering, Benha University

Education

- Bachelors of Architecture Engineering- Department Helwan University (2003)
- Master degree in Architecture Engineering - Cairo University (2009)
- (P.H.D) in Architecture Engineering - Cairo University (2016)

Certifications

- Certificate of Appreciation from Helwan University, Faculty of Engineering, El-Matareya, (2001)
- Certificate of Appreciation from the Presidency of Al-Basateen and Dar Al-Salam District in Cairo Governorate (2007)
- Certificate of Appreciation from Al Shorouk Academy (2012)
- Certificate of Appreciation from the Department of Architecture in Al-Shorouk for obtaining the ideal assistant teacher (2015)
- Certificate of Appreciation from Nasser Military Academy for Postgraduate Studies - Center for Strategic Studies in 2022.

**Assistant Professor at Benha Faculty of Engineering,
Benha University**

I had graduated in 2014 from Architecture department in faculty of Engineering, Mansoura University and I prepared my master's and PHD degree at the same university. My researches interests were about urban design and how it can be accessible for every user with different physical abilities. I am generally interested in researches which are social and serve community directly. About our faculty, it was pleased to contribute to organization of many events between workshops, lectures and conferences.

Skill Highlights

- Free -Hand Sketching
- Organizing Events
- Computer aided drawing
- Microsoft office
- Editing by Photoshop

Experience

- Lecturer of Architecture, Faculty of Engineering in Benha, Benha University.
- Lecturer assistant, Faculty of Engineering in Benha, Benha University.
- Teaching Assistant at Mansoura College Academy for Engineering & Technology

Education

- PHD degree in Architecture from Mansoura University in 2022

Certifications

- Digital transformation
- Lecturer Preparing Course.
- Communication Skills
- Self-estimation
- Websites Management
- Banks of Questions and Electronic tests
- Effective Presentation
- How to write Scientific Paner

Gehan Ismail, Mona Shedid. (2019)
"Architectural and Urban Expression in
Nubian Villages Origins and
Transformation", Edition Title:
Conservation of Architectural
Heritage, springer.

Summary

Gehan Ismail, architect researcher and
Assistant lecturer at the Department of
Architecture, Faculty of Engineering – Benha
University, Egypt.

Skill Highlights

Communication Skills

- Fast learner, energetic & creative.
- Able to work on own or as a part of a team.
- Able to communicate & negotiate with others.
- Presentation skills.
- Very good in Data gathering.
- Positive, helpful & hard worker.

Computer skills

- AutoCAD 2d: Excellent.
- Revit: good
- Sketch up pro 2013 & V-Ray : good
- Lumion: good
- Adobe Photoshop cs5: Excellent
- Windows and Microsoft Office (Word, Power Point, Excel): Excellent
- Microsoft Project: Fair Knowledge.

Experience

Academic Experience

- 2017 – Now : Assistant Lecturer at Benha University, Benha, Egypt.
- 2012 – 2017 : Part-time Teaching Assistant at Misr University for Science and Technology (MUST).
- 2013 – 2014 : Part-time Teaching Assistant at October High Institute for Engineering and Technology (HIAT).

Practical Work Experience

Job: specified in Architectural design & working drawing, urban design.

- November 2014 – 2018 : Concord Consulting Group.
- January 2013 - August 2016 : Egyptian Consulting House (MZECH) "Medhat Abo-Zeid.
- November 2012 – January 2013 Engineering Office GPS Urban Planning.
- March 2010- November 2012: El Tourane office of consulting Engineerings.

Education

- **2018 – 2019** Enrolled in the PhD's program of urban design at the Faculty of Engineering – Cairo University.
- **2016** Masters of Science in Architectural Engineering, urban design
- **2011 – 2012** Enrolled in the Master's program of urban design at the Faculty of Engineering – Cairo University.
- **2006 – 2011** Bachelor of Architectural Engineering, Graduated from the Faculty of Engineering Cairo University Architecture Engineering

Summary

- (From 2022) Associate Professor of Architectural Engineering, Department of Architecture, Modern Academy, Cairo, Egypt.
- (From 2015) Lecturer of Architectural Engineering, Department of Architecture, Modern Academy, Cairo, Egypt.
- (2012 – 2015) Assistant Lecturer, Department of Architecture, Modern Academy, Cairo, Egypt.
- (2008 – 2012) Teaching Assistant, Department of Architecture, Modern Academy, Cairo, Egypt.

Skill Highlights

- AutoCAD 2D,3D .
- 3D STUDIO MAX.
- PHOTOSHOP
- Microsoft Office.

Experience

- (From 2022) Delegated Associate Professor to a set of Egyptian engineering colleges such as, "Arab Academy for Science Technology & Maritime Transport (AASTMT), Benha University.
- (From 2015) Delegated Lecturer to a set of Egyptian engineering colleges such as, "Arab Academy for Science Technology & Maritime Transport (AASTMT), Architecture Engineering with Digital Technology credit hours system at Helwan University Mataria Branch, The Egyptian Chinese University (ECU)
- (From 2014) Founder of BHDC Consultant, Maadi, Cairo, Egypt.
- (From 2008) Supervision and Consultation to a range of different residential, retail and administration projects.

Education

Associate Professor	Specialization:	Environmental Design and Planning
	Awarded by:	Supreme Council of Universities, Cairo, Egypt, Nov. 2022
PhD	Specialization:	Environmental Design and Planning, Thesis Title " ANALYTICAL STUDY TO ASSESS THE ECONOMIC IMPACT RESULTING FROM ENERGY CONSUMPTION OF THE ENTIRE LIFE CYCLE OF BUILDINGS "
	Awarded by:	Cairo University, Cairo, Egypt, Nov. 2015
MSc	Specialization:	Environmental Design and Planning , Thesis Title " STUDY ANALYSIS OF RELATION BETWEEN BUILDING MATERIALS AND ENERGY IN ARCHITECTURE "
	Awarded by:	Cairo University, Cairo, Egypt, Nov. 2012
BSc	Specialization:	Architectural Engineering and Building Technology
	Awarded by:	Modern Academy, Cairo, Egypt, May. 2008

Summary

- * Associate Professor at Benha Faculty of Engineering, Benha University
- * Member of the Engineers Syndicate and consultant of concrete structures
- * Member of the Engineering Consultation Unit, Faculty of Engineering, Benha

Skill Highlights

- Sap 2000 program
- ETABS program
- Safe program
- C beam analysis
- ISA column program
- Prokon Structural Analysis
- AutoCAD professional
- Microsoft Office (Word, Excel, Power Point)
- ANSYS software

Experience

- Associate Professor, Civil Engineering, Benha Faculty of Engineering, Benha University, Benha, Egypt, (30-11-2019) until now.
- Lecturer, Civil Engineering, Benha Faculty of Engineering, Benha University, Benha, Egypt, (26-01-2014) to (30-11-2019).
- Associate Lecturer, Civil Engineering, Benha Faculty of Engineering, Benha University, Benha, Egypt, (16-08-2011) to (26-01-2014).
- Demonstrator, Civil Engineering, Benha Faculty of Engineering, Benha University, Benha, Egypt, (22-09-2008) to (16-08-2011).
- Carries out research and produces publications, or other research output, in line with the department research plan.
- Supervising graduate students for Ph.D. and M.Sc. degree.
- Teaching (Part-time) at Higher Technological Institute, 10 th. of Ramadan city, Egypt.
- Teaching (Part-time) at Misr Higher Institute for Engineering and Technology, Mansoura city.
- Teaching (Part-time) at Higher Institute of Engineering and Technology, Menoufia

Education

- B.Sc., with Honors, Civil Engineering Department, Benha Faculty of Engineering, Benha University, Benha, Egypt, 2007.
- M.Sc., In Civil Engineering, Specialization in " Repair and Strengthening of R.C Flat Slabs Subjected to Punching Shear Using (FRP – Reinforcement Steel)" Benha Faculty of Engineering, Benha University, Benha, Egypt, 2011.
- Ph.D., In Civil Engineering, Specialization in " Strengthening and Repair of Normal Strength Concrete Slab and High Strength Concrete Column Connections under Eccentric Loading " Faculty of Engineering at Shoubra Benha University, Benha, Egypt, 2013.

Certifications

- Certificate of Appreciation from Benha Faculty of Engineering, Benha University, (2007).
- Scientific Excellence Certificate from Benha University, (2022).

Summary

Rasha Mohey Al-Deen, I am Lecturer at the Department of Civil Engineering - Benha Engineering - Benha University .i am a quality coordinator in Construction Engineering and Management Program. (Credit Hours System). I have obtained PhD in surveying from Helwan Engineering, in 2012. During my professional career, I have gained a lot of experience in surveying, research and teaching. I published a number of local and international researches and worked as a teacher also in the Department of Architectural Engineering - Construction Engineering and Management Program (Credit Hour System.)

Skill Highlights

- AutoCAD Software
- Surfer Software
- JAVA
- BYTHON
- ICDL

Experience

- Lecturer of surveying Engineering in Benha - Department of Civil Engineering - Faculty of Engineering in Benha - Benha University - Arab Republic of Egypt

2012-present

- Quality Coordinator, Construction Engineering and Management Program - Faculty of Engineering, Benha - Benha University - Arab Republic of Egypt

2022 –Present

Education

BSc degree in Civil Engineering - **2000** - (V.Good with Honors) - Higher Institute of Technology - Banha - Arab Republic of Egypt

Msc in Engineering (2006) - Higher Institute of Technology - Banha - Arab Republic of Egypt

PhD in Civil Engineering (2011) - Faculty of Engineering, El-Matareya - Helwan University - Arab Republic of Egypt

Certifications

- Scientific Research Methods - Benha University - **2006**
- Professional Conduct Course - Benha University -**2008**
- University Teacher Preparation Course - Benha University - Examination Systems and Student Evaluation - Benha University - **2011**
- Academic advising course - Faculty of Engineering - Benha University - **2017**
- Academic standards preparation course for the bachelor's degree - Faculty of Engineering - Benha University - **2022**
- Course description - Program description and its relationship to academic standards - Faculty of Engineering - Benha University - **2022**

Summary

Dr. Elazab is an academician with a distinguished career in the field of civil engineering. Currently serving as a Professor of Civil Engineering at Benha University, Egypt, Dr. Elazab has over 14 years of teaching and research experience in the areas of structural courses, Auto-Cad, Reinforced concrete, structural drawings, and analysis programs such as Etabs, Ansys, and Safe. He began his academic career in 22/09/2008 as a Teaching Assistant at Benha University and went on to earn a master's degree in civil engineering in 2013, followed by a PhD in the same field in 2022, both from Benha Faculty of engineering, civil engineering department.

Skill Highlights

- Expertise in various areas of civil engineering, including structural courses, Auto-Cad, reinforced concrete, structural drawings, and analysis programs such as Etabs, Ansys, and Safe.
- Teaching experience in civil engineering courses, enriching the education of students.
- Proficiency in using various analysis programs such as Etabs, Ansys, and Safe, demonstrating technical skills and expertise in the field.
- Significant contributions to the field of civil engineering through research work, advancing the knowledge and understanding of the discipline.
- Academic qualifications, including a master's degree and PhD in civil engineering, showcasing dedication to advancing knowledge and expertise.

Experience

- **Lecturer** of Civil Engineering, Department of Civil Engineering, Benha Faculty of Engineering, October 2022 – Present.
- **Lecturer Assistant** of Civil Engineering, Department of Civil Engineering, Benha Faculty of Engineering, July 2013 – October 2022.
- **Demonstrator** of Civil Engineering, Department of Civil Engineering, Benha Faculty of Engineering, September 2008 – July 2013.

Education

- **Doctor of Philosophy** of Engineering Sciences in Civil Engineering from Benha Faculty of Engineering, Benha University, August 2022.
- **Master of Engineering Science** in Civil Engineering and technology in civil engineering from Benha Faculty of Engineering, Benha University,, June 2013
- **B.Sc.** of Engineering and Technology in Civil Engineering Technology, Benha Faculty of Engineering, Benha University, June 2008.

Certifications

- International Publishing award, Benha University
- International traninig - Parsons Company
- Sultan Qaboos University, College of Engineering, Industrial Training and Alumni.

Summary

Dr. Mohab Roshdy Ahmed is an Assistant Professor in Geotechnical Engineering and works at the Department of Civil Engineering, Benha Faculty of Engineering, Benha University, Benha, Egypt. He has a BSc degree in Civil Engineering awarded with honors in 2001. He is interested in studying Tunnels Engineering, so he received MSc in Civil Engineering (Geotechnical), from Benha Higher Institute of Technology, Benha University, Benha, Egypt in 2010 and a Ph.D. in Civil Engineering (Geotechnical) from Shubra Faculty of Engineering, Benha University, Benha, Egypt in 2020.

Skill Highlights

- Excellence and Teaching of Specialist Software Packages for Civil Engineering.
- Excellence in Specialist Software for Geotechnical Engineering.
- Excellence in Microsoft Office (Excel, Word, PowerPoint).

Experience

- Lecture in the Civil Engineering Department, Benha Faculty of Engineering, Benha University, From Nov. 2020 to Present.
- Assistant Lecturer in the Civil Engineering Department, Benha Faculty of Engineering, Benha University, From Nov. 2010 to Nov. 2020.
- Demonstrator in the Civil Engineering Department, Benha Higher Institute of Technology, Benha University, From Apr. 2002 to Nov. 2010.

Education

- Ph.D. in Civil Engineering (Geotechnical Engineering), Sept. 2020, from Shubra Faculty of Engineering.
- M.Sc. in Civil Engineering (Geotechnical Engineering), Sept. 2010, from Benha Higher Institute of Technology.
- B.Sc. in Civil Engineering, Jun. 2001, from Benha Higher Institute of Technology - Ministry of High Education.

Certifications

- Ph.D. in Civil Engineering, Sept. 2020, from Shubra Faculty of Engineering, the thesis title is "Ground Response Due to Tunneling Process in Soft Soil".
- M.Sc. in Civil Engineering, Sept. 2010, from Benha Higher Institute of Technology. the thesis title is "Numerical Analysis of Tunnels in Soft Soil".
- B.Sc. in Civil Engineering, Jun. 2001, from Benha Higher Institute of Technology - Ministry of High Education.

Summary

- Assistant lecturer in Faculty of Engineering, Civil Engineering Department, Benha University.
- Civil Design Engineer.

Skill Highlights

- Abaqus CAE program.
- MIDAS N-GEN program.
- Analysis and describe of Results.
- CSI software programs (SAP-ETABS-SAFE-CSICOLUMN).
- Word, Power Point and Smart-Program
- Strong commitment to HSE.
- Very good Leadership skills.
- Ability to work individually or as part of a team.
- High ability to relocate.
- Good Communication Skills and ability to work under pressure

Experience

1. Teaching the following courses:(Structural analysis-Reinforced Concrete Structures- sap program- Auto cade program- Excel program- Architectural Construction and Design course, Benha University).
2. Design concrete structures such as (High rise building - villages – mall's - multi story frames).
3. Design Steel structures such as (factories – Residential steel building)
4. Review As built Drawings for all assigned projects.

Education

1. Assistant lecturer in university since 14/7/2022.Teaching and Research, Faculty of Engineering, Civil Engineering Dept, Benha University.
2. Demonstrator in civil Engineering department since 9/11/2016.Teaching and Research, Faculty of Engineering, Civil Engineering Dept, Benha University.

Certifications

1. Master of Science Engineering (master by research), Faculty of Engineering, Civil Dept, Benha University, May 2022.
2. Master's Courses Overall Grade (GPA) :3.45 from 4. Jun,2019.
3. Bachelor of Civil Engineering, Benha University, July 2016.

objective

When I started my studies in Civil Engineering, I was passionate about the idea of being able to study and investigate structure to develop analysis and design of structures and help people and companies to design structures that resist different loads

Skill Highlights

Programs]

- ✓ AutoCAD
- ✓ Sap
- ✓ safe
- ✓ Etabs
- ✓ Sp column

[Computer Skills]

- ✓ Excellent Internet user
- ✓ Excellent user of Microsoft office (Excel _ Word_ Power Point)

[Personal Skills]

- ✓ Active, responsible and Ability to work outside normal working hours
- ✓ Team work
- ✓ self-study
- ✓ Time management

Experience

- Demonstrator in Benha faculty of engineering
- Attend the training in Makkah Engineering Consulting Office
- Attend the training in technological institute of building engineering and administration
- Attend the training in Website management
- Attend the training in scientific research methodology
- Attend the training in scientific research ethics
- Attend the training in self-assessment and external audit
- Attend a concrete diploma

Education

Graduation: B.Sc. Civil Engineering [2014,2019]

College: Faculty of engineering - Benha University

General grade : Excellent with honors

Graduation project: Concrete project

Graduation project : Analysis and Design of different concrete structure and systems such as Villa,Tower,hall,and Tanks,...etc
project Grade : Excellent

Certifications

- Autocad
- Design training
- Website management
- scientific research methodology
- scientific research ethics
- self-assessment and external audit

Summary

Experienced Teaching Assistant with expertise in structural analysis and design, as well as a range of engineering software. Skilled in teaching a variety of civil engineering courses, including Theory of Structures, Design of Steel Structures, and more. Sub-supervised for both design of steel structures and structural analysis graduation projects.

Skill Highlights

- Strong background in structural analysis and design.
- Proficient in a range of computer applications, including SAP 2000, ETABS, Safe, Microsoft Office, AutoCAD and programming using Java.
- Strong problem-solving skills and attention to detail.

Experience

- Teaching Assistant, Civil Engineering Department
December 2019 – present.
- Teach a range of civil engineering courses, including Theory of Structures, Design of Steel Structures, and Dynamics of Structures.
- Supervise and assist with design of steel structures and structural analysis graduation projects.

Education

- B.Sc. in Civil Engineering-Benha Faculty of Engineering (2019).
- Grade: Excellent with honor degree (90.81%) and ranked 1st in the 2019 class.

Certifications

- Scientific research ethics.
- Scientific research methodology.

Summary

Teaching assistant at Benha faculty of engineering, Civil engineering department.

Skill Highlights

- Geotechnical engineering
- Structural design

Experience

- Site training at poorest village development project for 3 months (2021)
- Site training at Arab contractors projects(2019-2021).

Education

- B.Sc. of engineering, Benha Faculty Of Engineering- Benha University(Class 2021).
- Commulative Grade : Excellent with Honors
- Specialization : Civil Engineering
- Graduation Project : Soil Mechanics & Foundation Design
- Project Grade : Excellent

Summary

**Assistant Professor at Benha Faculty of Engineering,
Benha University**

Skill Highlights

- ICDL
- TOFEL
- Microsoft office
- Programs for pronunciation In English language.

Experience

- Lecturer at faculty of Engineering Benha university from 2010-2023.

Education

- Bachelor of arts and education faculty of arts 2006 Benha university
- Educational diploma 2007, faculty of education Zagazig university .
- Special diploma in education 2010 , faculty of Education, benha university.
- Master of education; department of curriculum and teaching methods;English language , 2019 faculty of Education, benha university.

Certifications

- **Certificate of participation** in writing instruction and Assessment in December 2011 from Regional English Language office .U.S. Embassy ,cairo
- **Certificate of Tot :Trainer of teachers development programme modules 1,2 and 3 on 26th june 2013 from the British council .**
- Certificate of the development of the abilities of the staff members in 2017. From the faculty of computer &Information sciences ,benha university .

Summary

Highly creative and multi-talented Architecture Engineering with extensive experience in architecture design, planning, leading, programming.

Skill Highlights

Possessing strong skills in Architectural Design, Adaptive Reuse of Buildings, Heritage Conservation, and Research & Academic Writing. Proficient in using AutoCAD, Revit, 3ds Max, Lumion, Photoshop, SketchUp, and Microsoft Office Suite. Demonstrates excellent presentation, communication, teamwork, problem-solving, and project management skills.

Experience

Teaching Assistant – Department of Architectural Engineering

- Faculty of Engineering, Benha University.
- 2022 – Present.
- Assisting in architectural design studios and academic activities.
- Supervising and supporting undergraduate student projects.

Education

Master of Science (M.Sc.) in Architectural Design (Ongoing)

- Shoubra Faculty of Engineering, Benha University.
- 2023 – 2026.
- Thesis: Pre-occupancy Assessment of Reused Public Buildings in Cairo.

Bachelor Degree in Architectural Engineering

- Faculty of Engineering, Benha University.
- Graduation Year: 2022.
- Grade: 90.2% – Excellent with Highest Honors.

Certifications

- B.Sc. in Architectural Engineering, Benha University.
- Honored by the President of Benha University for contribution to the Visual Identity Project of Qalyubia Governorate.

Summary

A highly motivated and detail-oriented recent graduate in Architecture with a solid foundation in architectural design, project management, and sustainable building practices. Proficient in CAD software, 3D modeling, and rendering, with a strong ability to conceptualize and implement innovative design solutions.

Skill Highlights

- Technical Proficiency
- Strong Design Skills
- Project Management
- Communication Skills
- Collaboration and Teamwork
- Sustainability Awareness
- Problem-Solving Skills
- Leadership Skills

Experience

- trainee at CRC DORRA - Commitment Reliance and Collaboration, 6 October, Giza
Aug.2023-Sep 2023

During my training at CRC DORRA, I had the opportunity to immerse myself in the world of architecture within an engineering context. This report aims to summarize the key experiences, skills acquired, and insights gained throughout my time at the company.

Education

- Benha University
Faculty of Engineering, Benha
Department of Architecture
Sep.2019-Jul.2024
Excellent with honors
- Cairo University
Faculty of Engineering,
studying for a Master 'degree
in Architectural Engineering,
specializing in Urban Design
andCommunityDevelopment
Sep.2025 -Present

Summary

Teaching Assistant with experience in supporting undergraduate courses. Proficient in grading assignments, facilitating class discussions, and creating an inclusive learning environment. Passionate about helping students succeed and develop their skills

Skill Highlights

- Excellent problem-solving and analytical thinking in design.
- Time Management and Punctuality.
- Excellent in Team leadership
- Ability to work under stress

Experience

- Proficient in AutoCAD, Revit, Rhino and 3ds Max for architectural design and drafting
- Experienced in 3D rendering and visualization using V-Ray and Lumion
- Experienced in post-production using Adobe Photoshop
- Proficient in Coohom and 3ds Max for Interior Design
- Knowledge of architectural standards and building codes
- Ability to create detailed construction drawings and Shop Drawings
- **Teaching Assistant** (Benha Faculty of Engineering): From Sep 2024 to Present
- **LMS (Landmark Subbour)- Training (SEP2023):** trained in a site and in technical office (Three Sixty Mall in New Cairo)
- **Space Consultants- Training (AUG2023):** trained in Urban Design Section

Education

Bachelor of Architecture- Benha Faculty of Engineering
Grade: Very Good with Honors
Graduation Project Grade: Excellent
Graduation Year: 2024

Master of Architecture – Shoubra Faculty of Engineering
Major: Urban Design
Duration: September 2025 - Present

Certifications

- Certificate of appreciation for participating in designing the visual identity of Qalyubia Governorate.

Summary

Dedicated Architectural Engineering graduate and Teaching Assistant at the Faculty of Engineering, with a passion for architectural design and urban development. Proven track record in supporting academic design studios, delivering high-quality engineering projects, and collaborating effectively within multidisciplinary teams. Committed to bridging the gap between theoretical knowledge and practical application through advanced research and proficiency in industry-standard software.

Skill Highlights

- Design engineering projects.
- Strong communication and team
- Proficient in using engineering Autodesk and Revit....
- Excellent presentation and teachi
- Team Work.

Experience

- Teaching Assistant at the Faculty of Engineering, supporting architectural design studios and academic courses (2025 – Present).
- Contributed to the development and implementation of the visual identity of Benha University projects.
- Assisted faculty members in teaching activities and provided academic support to students.
- Participated in departmental meetings, academic events, and curriculum-related activities.
- Completed professional training at **CEMART** and **We Finish Architecture**, gaining practical experience in architectural practice and workflows.

Education

Advanced Academic Studies

- **Current Program:** Master of Architecture
- **Major:** Urban Design
- **Institution:** Faculty of Engineering at Shoubra, Benha University.
- **Duration:** Sep.2025 - Present
- **Focus:** Advanced research and application of Urban Design principles to create sustainable metropolitan spaces.

Undergraduate Education

- **Degree:** Bachelor of Architectural Engineering.
- **Institution:** Benha University.
- **Timeline:** September 2019 – June 2024.
- **Core Competencies:** Comprehensive training in architectural design, construction technologies, and structural engineering foundations.

Professional Certifications

- Certified BIM Manager
- Digital Marketing Professional — Udacity (2020)

Summary

Architect and current MArch candidate in Environmental Design at Cairo University, balancing professional technical office expertise with an academic role as a Teaching Assistant. Combines advanced training in BIM Management with a deep focus on sustainability frameworks and site coordination. Committed to developing resilient urban solutions while mentoring the next generation of architects

Skill Highlights

- BIM Management & Coordination
- Technical Office Engineering
- Environmental Design & EIA Specialist
- Site Supervision & Quality Control
- Academic Teaching & Training
- Presentation & Communication Skills

Experience

Teaching Assistant

- **Company/Institution:** Benha University - Benha Faculty of Engineering
- **Duration:** September 2024 - Present (1 year 10 months)
- **Location:** Benha, Al Qalyubiyah, Egypt

Environmental Compliance Specialist (Project-Based)

- **Company/Institution:** Global Appraisal Tech (GAT)
- **Duration:** January 2026 – March 2026 (3 months)
- **Location:** Egypt

Technical Office Engineer

- **Company/Institution:** YAMM Engineering and Construction S.A.E.
- **Duration:** July 2024 - Present (2 years)
- **Location:** Egypt

Architect (Trainee)

- **Company/Institution:** Center of Planning and Architectural Studies (CPAS)
- **Duration:** August 2023 - September 2023 (2 months)
- **Location:** Shebin El Qanater, Egypt

Education

Master of Architecture - MArch

- **Major:** Environmental Design / Architecture
- **University:** Cairo University
- **Duration:** September 2025 - June 2027 (Ongoing)

Bachelor's Degree

- **Major:** Architectural Engineering
- **University:** Benha University
- **Duration:** September 2019 - June 2024

Summary

Highly motivated architect and academic professional with a Bachelor's degree in Architecture from Benha University (2023) and currently pursuing a Master's degree in Architectural Design. Serving as a Teaching Assistant in the Architecture Department, combining academic excellence with practical architectural experience. Passionate about sustainable urban development, quality enhancement, and environmental design research, I have actively participated in institutional quality enhancement, community service, and creative initiatives, including the design of the visual identity for Qalyubia Governorate. My expertise spans sustainable architecture, urban planning, and green construction, supported by advanced certifications from global institutions like Johns Hopkins University and Lund University.

Skill Highlights

- Proficient in sustainable design, urban planning, and architectural innovation
- Strong presentation, mentoring, and team collaboration skills.
- Proficient in architectural software and visualization tools.

Experience

Teaching Assistant

Faculty of Engineering, Architecture Department – Benha University
2023 – Present

- Support students in academic research, projects, and environmental development activities.
- Contribute to departmental initiatives to improve educational quality and student engagement.

Education

Master's Degree in Architectural Design (Ongoing)

Benha University – Faculty of Engineering
2023 – Present

Bachelor's Degree in Architecture

Faculty of Engineering – Benha University
Graduated: 2023

- Achieved academic distinction and contributed to research projects
- emphasizing urban sustainability and green design principles.

Certifications

- Certificate of Appreciation – Benha University, Faculty of Engineering (Jul 2025)
Recognition for continuous support and contribution during the graduation project, ensuring its success and excellence.
- Certificate of Attendance – International Conference “Future of Heritage: Vision and Challenges 2025” (Apr 2025)
Attended the international conference held at Al-Ghouri Dome, organized by Benha University.
- Certificate of Appreciation – Benha University Faculty of Engineering (Feb 2025)
Acknowledged for valuable contribution as a member of the Organizing Committee at the scientific conference “The Power of Technology: Shaping the Future of Engineering.
- Certificate of Acceptance – Benha University Faculty of Engineering (Feb 2025)
Recognition for presenting the research paper “Contemporary Egyptian Architecture's Assessment in Terms of Local Characteristics” at the scientific conference “The Power of Technology: Shaping the Future of Engineering.”

- 2024, Certificate of Appreciation Awarded by Benha University in recognition of the dedicated efforts and valuable contributions in the outstanding participation and design of the visual identity for Qalyubia Governorate.
- 2023-2024, Certificate of Appreciation Awarded by the Department of Architecture, Faculty of Engineering - Benha University, in recognition of excellence in research activities, community service, and environmental development .
- 2024, Certificate of Appreciation, awarded by the Quality and Development Management Unit, Faculty of Engineering - Benha University, for contributions and efforts in enhancing quality activities within the unit.
- 2024, Certificate of Appreciation Awarded for participation in the Research Poster Design Competition at the "Future of Heritage" Conference under the theme "Revival of Ancient Egyptian Golden Myths for Sustainable Development" and for achieving second place at the university level, Benha University.
- July 2024, Completion Certificate for Urban Nature: Connecting Cities, Sustainability, and Innovation, Lund University.
- August 2024, Completion Certificate for Sustainable Cities specialization, Johns Hopkins University
- August 2024, Completion Certificate for Sustainable Regional Principles, Planning and Transportation, Johns Hopkins University.
- June 2024, Completion Certificate for Sustainable Neighborhoods, Johns Hopkins University.
- August 2024, Completion Certificate for Sustainable Transportation Networks and Streetscapes, Johns Hopkins University.
- July 2024, Completion Certificate for Transportation, Sustainable Buildings, Green Construction, Johns Hopkins University.

● Academic Achievements & Certifications

Graduation Project Excellence – Ranked First in Class, Faculty of Engineering, Benha University (2025).

Project Title: Marsa Alam Aquarium Center & Research

● Research Project / Exhibition

Certificate of Participation – Heritage Corner Competition

Al-Bawiti: A Cultural Heritage Weaving an Architectural Identity

Participated in the Future of Heritage – Heritage Corner exhibition.

Conducted research on the cultural and architectural identity of Al-Bawiti City and Bahariya Oasis.

Issued by: benha University, arch space for Engineering and Academic Studies, and the Cultural Development Fund

Honored for participating in the "Heritage Corner" competition, held as part of the "Future of Heritage" Conference.

● Design Competition Participation

Touristic Resort Design Competition – Bahariya Oasis

Participated in a resort design competition organized by Sabbour Consulting.

Developed conceptual and architectural designs tailored for the cultural and environmental context of the Bahariya Oasis. Collaborated on sustainable design solutions integrating local heritage and tourism

● Design Competition Participation

Historic Azbakeya Wall Kiosk Design Competition

Participated in a design competition organized by the Ministry of Housing for developing kiosks along the historic Azbakeya Wall.

Selected among the top talented students representing the institute for this competition.

Focused on integrating historical preservation with functional urban design.

- 2024, Certificate of Appreciation Awarded for participation in the Research Poster Design Competition at the "Future of Heritage" Conference under the theme "Revival of Ancient Egyptian Golden Myths for Sustainable Development" and for achieving second place at the university level, Benha University.

Summary

A highly motivated architect seeking a challenging role that will allow me to utilize my knowledge of building codes, designing and regulations and develop my drafting, critical thinking and collaboration skills.

Skill Highlights

- AUTOCAD
- 3DS MAX
- PHOTOSHOP
- LUMION

Experience

- **Teaching Assistant** at Benha Faculty of Engineering
- **TRAINING**
(Space consultants , Madinaty)

Education

- Bachelor Degree in Architectural Engineering
- Benha University , Faculty of Engineering
- Graduation Year : 2022
- Overall Degree : 83.9
- Graduation Project : Fishing Crafts and modern boats
Developing Center
(EXCELLENT)

Certifications

- **Bachelor Degree in Architecture Engineering**
- Sept 2022 **CAD MASTERS**
(3ds max)
- SEPT 2022 **Design Summer School 22**
- (interior design – 3ds max – lighting – interior kitchen
design – project management – MEP)
- SEPT 2022 **Design Summer School 20**
